THE SHELL CONSOLE

Our handmade Shell Console features elegant wave detailing and a hand-carved shell motif.

The counter, with its stepped bullnose edge, is hand-painted by our specialist painter to replicate the natural beauty of marble. The base features classic cabriole legs, with the rear legs gently curved to fit neatly over the skirting, ensuring the counter sits flush against the wall.

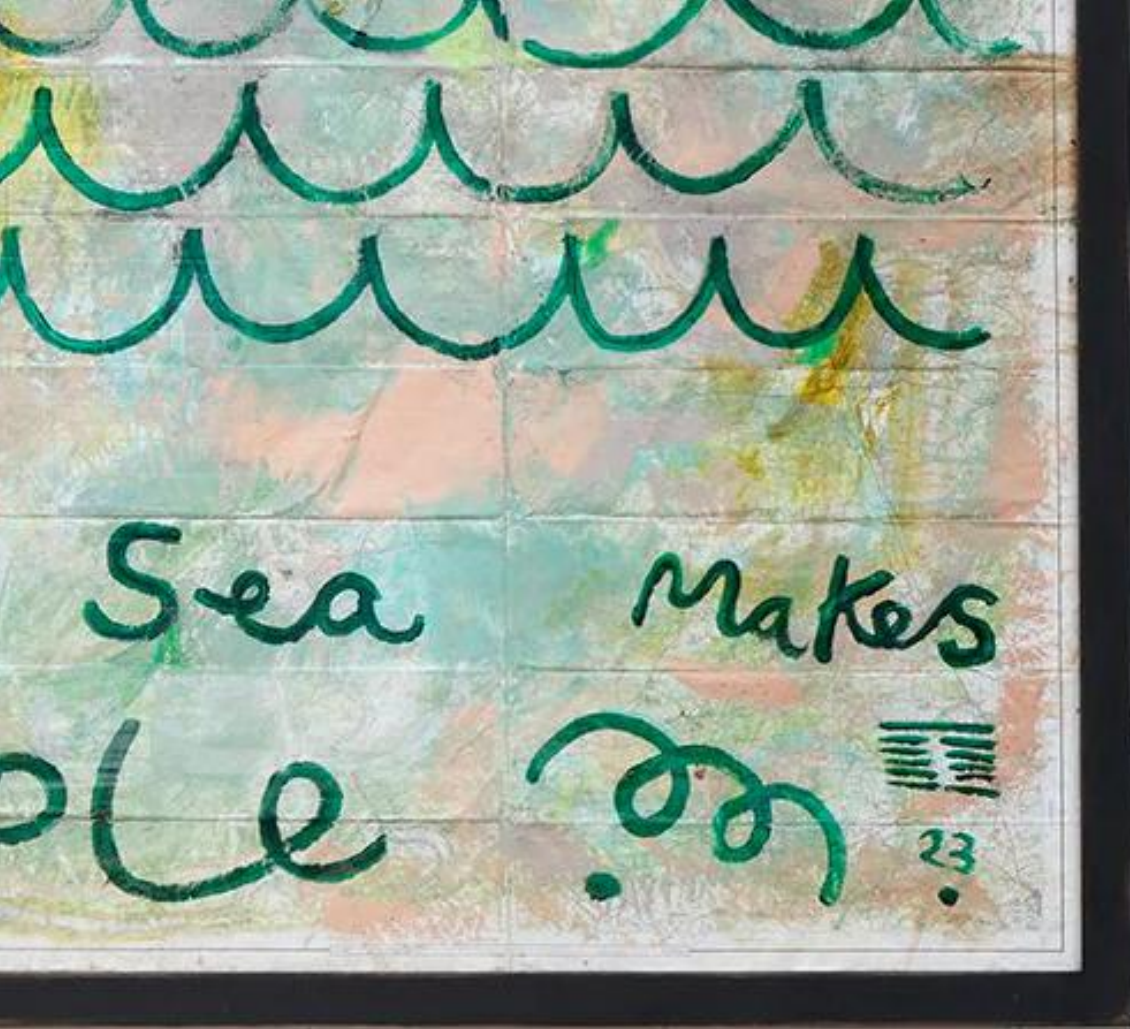

THE BUTTER PREP TABLE

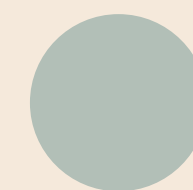

Inspired by Georgian dairy tables, The Butter Prep Table is designed to bring both beauty and practicality to the kitchen. Crafted from solid oak, its weighty proportions make it a hard-working addition to any busy kitchen.

A cool marble counter-top, framed with an aged brass trim, sits atop a richly stained wooden base. Turned legs and a decorative frieze nod to traditional craftsmanship, while two discreet pull-out drawers and a generous lower shelf offer ample storage.
